

AUCTION

Hello RCA Families!

It's that time of year again!

We are asking for your help to gather items for our 8th Annual Fundraising Dinner and Silent Auction.

We are looking for new, quality items that would be fun to have at the auction this year.

If you own a company and have goods or services that you can donate, or if you work for a company that has goods and services that could be donated please consider asking your employer on RCA's behalf, to support this year's event.

Or, if you have a knack for getting out into the community and procuring items, your help would be most appreciated.

We do have a Silent Auction team in place however we do believe that by engaging the entire RCA Community we will be even more successful!

Along with this letter asking for your help you will find a letter to business leaders asking for support as well as a form to be filled out for tax purposes when businesses say "Yes!" to supporting this event.

If you have any questions about this please feel free to contact Maggie Grift at grift.family@gmail.com or Andréa Klassen at aklassen@rcaflames.com.

Thank you for taking time to consider what you can do to help make this year's event the best one yet!
