Cash Bar

Setting the Sails for Education. Together we can make a difference!

Dear RCA Family and Friends

Today is a great day to create change in our community and the world! I am reaching out on behalf of Resurrection Christian Academy to thank every single person that supports our mission. With your help, we're building a powerful community within Guelph by providing children with quality Christian education and a safe space to grow. Because of people like you, our kids are reaching their full potential while celebrating their unique, God-given gifts.

We are inviting you to continue your support by participating in our Gala Fundraising Campaign. We are well on our way to a goal of \$75,000, and we know that we can reach it with your help. With that in mind, we have a few ideas for how you can help us!

First, will you consider making a direct donation?

Or, if you would like, you can support our Online Auction from April 1st to 14th. We have some incredible items coming soon, so don't miss out!

You can also help by spreading the word on social media about our Online Auction and RCA Gala on April 14th @ 6:00 PM. Don't forget, all tickets for the Gala must be purchased by April 7, 2023.

Resurrection Christian Academy is a community of donors, parents, teachers and students working together towards a common vision.

That vision is a school that allows our children to graduate with confidence in their individual worth in God's eyes, to be prepared to stand up for and protect their personal values, and to be ready to demonstrate Christian leadership in their walk through life.

Our youth today have endured so much uncertainty with the fallout of COVID-19 closures and lockdowns. Now more than ever there is a need for Christian Schools. Please consider how you can continue to help give the gift of education and support this generation.

“Never doubt that a small group of thoughtful, committed, citizens can change the world. Indeed, it is the only thing that ever has.”

— Margaret Mead
